Enhancing the Quality of Life in Our Community

JOB SUMMARY – CHILD CARE

Child Care Teacher:

- The Child Care Teacher is responsible for nurturing and caring for children. Teachers play an important role in a child's development by caring for the child when parents are at work or away for other reasons. In addition to attending to children's basic needs, the teacher will organize activities that stimulate children's physical, emotional, intellectual, and social growth. They help children explore individual interests, develop talents and independence, build self-esteem, and learn how to get along with others. Each Teacher is responsible for their classroom and group of children. The Teacher will perform a combination of basic care and teaching duties, but the majority of their time is spent on care giving, but the majority of their time is spent on care giving activities. The Teacher is to develop programs that help children learn about trust and the ability to gain a sense of security.

Child Care Aide:

- Performs program duties under the guidance of the teacher and director to carry out the activities of the daycare center. Also responsible for protection, general care, and welfare of children in their charge.
